

# Russian Sub Fleet Is Navy's Chief Problem

## Larger Than Nazis' At Start Of War

Washington, Dec. 10—(AP)—Russia's submarine fleet, larger and including more effective types than Germany's at the start of World War Two, is today the No. 1 problem that the U. S. Navy must be prepared to solve.

According to recent estimates by American navy officers, the Russians have between 250 and 300 U-boats. Even if the exact number is no more than 200, the Red undersea fleet is considerably larger than Germany's at the start of the last war.

### Not All Latest Type

Not all of the Soviet submarines are of the latest type, by any means. Some are small coastal vessels. But an uncertain number, last reported at 20 to 30 and possibly larger now, are fast and elusive subs of the "Snorkel" type developed by Germany from a Dutch idea during the war.

"Snorkel" U-boats can run beneath the surface almost indefinitely, with only a small breathing tube for their diesel engines above the water. Their diesels can drive them at a sustained speed higher than the batteries which prewar subs had to use when submerged. The "Snorkels" need not surface frequently to recharge their batteries, as the old types did, and their breathing tubes present only a small and difficult target for radar detection.

In addition, the Russians are presumed to have captured from the Germans—as the U. S. did—plans for an undersea warship to be driven at still higher speeds by a hydrogen-peroxide engine requiring no air intake.

### Work On Solution

Does the American navy have the best possible answer to the problem that Russia's fleet would present if it came?

To double-check the whole range of the navy's anti-submarine program, Admiral Forrest P. Sherman, the new chief of naval operations, has ordered a survey by the staff who directed the navy's successful fight against German U-boats in the Atlantic during World War II.

That man is Vice Admiral Francis S. Low, war-time commander of a "fleet" without a ship, a fleet which controlled the anti-submarine operations of U. S. warships, planes and convoys in the Atlantic during the war.

In an interview, Admiral Low steered clear of questions about subjects—Russia and atomic energy.

But he dwelt on other aspects of submarine warfare, including defense against submarines reaching U. S. coastal waters.

"If they get to that position," Low said, "then to counterattack that immediate threat what you have to have is heavy forces, primarily air, land-based and carrier, all equipped with the latest gear that you have for detection and attack."

## Stevenson Invites Springfield Area Kids To Big Party

Springfield, Ill., Dec. 10—(P)—Kids in the Springfield area got invitations today to a big shindig.

The event: Governor Stevenson's first Christmas party for youngsters around these parts.

The time: The morning of Dec. 24 from 9:30 to 11:30.

The place: The State Armory here. Santa Claus is coming to town for the party—a big annual event since 1941 on social calendars of local small fry.

The festivities usually attract about 6,000 boys and girls.

For the first time, Mrs. S. Claus will accompany her jolly husband to the party. She will help Santa and Governor Stevenson distribute treats to the young guests.

Besides the refreshments, there's a good deal of entertainment planned for the youngsters. The program includes music by the Springfield high school band, puppets, a ventriloquist, a magician, and other artists.

## Baby Born In Car Stuck In A Ditch

Davenport, Ia., Dec. 10—(P)—A baby born in a car which had skidded into a ditch.

Arthur Trevor of Calamus, Ia., whose wife had informed him the stork was flapping its wings urgently, was trying to reach a Davenport hospital as rapidly as the ice-glazed highway would permit.

The car hit a heavy ice patch and went into a ditch. The 7-pound 14 ounce baby arrived within minutes.

Passing motorists bundled the infant against the cold and took mother and babe to the hospital where both were doing well today.

In Arcadia, N.Y., three families living side by side were named Gray, Miller, and Braymiller.

## Chiang To Formosa As Revolt Hits Mainland

Taipei, Formosa, Dec. 10—(P)—Chiang Kai-Shek flew to Formosa tonight from the chaotic mainland, where a Yunnan province revolt was stripping the Nationalists of their last major footholds.

Large-scale organized resistance on the mainland is ending. A new era of Nationalist guerrilla warfare is at hand.

Tao Hsi-Sheng, Chiang's spokesman, admitted the Yunnan situation was grave. Nationalist quarters held a faint hope that the revolt could yet be localized. They have counted on that south province for a base.

(Air crews of planes reaching Hong Kong from Kunning, Yunnan province capital, said it was believed the whole province had gone over to the Communists. Turncoat Nationalists held Kunning.)

Chiang laid his plans for guerrilla warfare before he left Chengtu. The city served for 10 brief days as a refuge for the Nationalist government before its removal to this

island 100 miles off the mainland. The generalissimo also made a strenuous effort to keep Yunnan loyal. He called in three Yunnan generals for conferences shortly before he left.

When Chiang left Chengtu the streets were filled with soldiers of Gen. Hu Tsung-Nan's 350,000-man army. They were withdrawing to the mountains beyond, there to take up the burden of guerrilla warfare in western China.

The headquarters for the Nationalist operation will be Sichang, in mountainous Sikang province, 200 miles southwest of Chengtu.

Some of the soldiers rode in trucks, but for the rest it was a weary, plodding march. Some troops were barefooted in the bitter cold.

The Communists were behind them. The last reports to Chengtu put them still 50 miles from the city. (Press reports in Hong Kong said the Communists now were only six miles away. This might refer to guerrillas or vanguards.)

### Charles Palmer, Noted Publisher, Dies In New York

Saranac Lake, N. Y., Dec. 10—(P)—Charles M. Palmer, veteran newspaper publisher and broker, died today at his home here. He was 93.

Palmer, owner of the St. Joseph, Mo., News-Press and Gazette, was one of the oldest members of the Associated Press.

He helped found the present Associated Press in 1900. Earlier he had been a member of the Western Associated Press and the Associated Press of Illinois.

Palmer had been confined to bed for the past three weeks. He died of pneumonia, his daughter-in-law, Mrs. Charles Sill Palmer, said. He had been ill about two months.

The venerable newspaper broker, a native of La Crosse county, Wis., had resided at this Adirondack mountain resort community for about 40 years. He usually wintered at Miami, Fla.

Parachuting Santa Gets Tangled In High Tension Line

Fort Lauderdale, Fla., Dec. 10—(P)—A parachuting Santa Claus tangled with high tension wires today and was rescued as hundreds of children alternately wept and cheered.

The plan was for Santa, otherwise Robert (Jumping Jack) Niles, 22, to leap from a plane and descend to Stranahan field in mid-city where practically the entire juvenile population for miles around awaited with parents.

There were happy outcries as Santa hit the silk, but the red-suited visitor was caught in a brisk wind and blown into wires skirting the football field.

His chute tangled with the wires, and Jolly St. Nick himself whammed against a utility pole, then dangled 45 feet above the ground.

Happiness among youthful spectators quickly became consternation.

"Mommy, Santa is trapped," hundreds of young voices screamed.

"Poor Santa!"

Hurry calls went to the fire department for a ladder truck. But John W. Bell, of Fort Lauderdale, a utility lineman watching the event, became a hero to every child.

With borrowed climbers, he scaled up the pole before firemen arrived, juggling a rope. He fashioned a line over crossarms and lowered the rope to Santa.

Santa, shaken up but unhurt, unfasted his parachute harness and lowered himself to a ladder which meantime had been placed beneath him.

Arrested Trying To Cash Bad Check

Indianapolis, Dec. 10—(P)—Thomas Wagner, 27, of 43rd & Cottage Grove, Chicago, was held here today on a preliminary charge of trying to cash a worthless \$20,000 check.

Detective Sgt. Monroe Bettner and Forrest Ehlis said Wagner was found to have keys of a car reported stolen in Chicago, but refused to tell where the car was.

The officers said police were called when Wagner tried to cash the check in a downtown bank today.

Most Frenchmen Know Little Of ERP Poll Reports

Paris, Dec. 10—(P)—Reports that the average Frenchman knows little about the Marshall plan and dislikes what he knows were confirmed today in a poll organized by the Marshall plan itself.

The Dutch and Norwegians know and like the plan better, the survey showed. Danes and Austrians also were checked, but the results of those samplings are not yet available.

This mirror of public opinion indicated that only four Frenchmen in every 100 credited the Marshall plan as a factor in French recovery from the war and the German occupation, though the United States has given France about \$1,700,000,000 in aid.

"What are the strings attached to it?" A full 37 per cent of the Frenchmen wanted to know.

Only 38 per cent of those who had heard about the plan believed it was good for France.

## Believes Farm Loans Will Cost U. S. More Next Year

Washington, Dec. 10—(P)—Three senators said today the government may be forced to put up far more money next year for loans to maintain promised price supports under farm crops. Their estimates ran from another \$1,000,000 upward.

They agreed in separate interviews that even though nearly \$5,000,000,000 now is available to Secretary Brannan for price props under farm income, more will be needed.

Declining prices on major agricultural crops and mounting surpluses should force action during the next session of congress which convenes in January, they said.

The amount posted for loans does not mean the government expects to lose anywhere near that much. The cost cannot be foretold because it depends on the market.

Senator Aiken (R-Vt.), No. 1 GOP member of the senate agriculture committee, said "its been evident for months that the present \$4,750,000,000 authorization for price support loans will not be adequate."

"It might be wise to provide another \$5,000,000,000 to cover the price readjustment period ahead for farmers," he said.

"We should have started this readjustment sooner and we may all regret that the support levels have been kept so high."

Aiken said that recent high food prices have caused "ugly opposition

of consumers and voters that may endanger the whole farm program in the next few years."

Senator Anderson (D-NM), former secretary of agriculture and one of the sponsors of the new price support law, agreed that additional funds "may be needed before the year ends."

"It may take another \$1,000,000,000 or possibly as much as \$2,000,000,000," he said.

Aiken said that even if \$5,000,000,000 is needed "the administration probably will ask for it only for one or two billions at a time."

## Illinois News Briefs

Decatur, Ill., Dec. 10—(P)—Police today sought two masked robbers who kidnaped Thomas W. Haddock, 52, last night and beat and robbed him. Haddock, manager of an A and P store, told police the robbers forced them into their car and drove several miles from town. He was beaten, robbed of \$50 and left on a highway. His injuries were treated at a hospital.

Granite City, Ill., Dec. 10—(P)—Chris Marcovsky, 14, Granite City student, was killed today while he and two friends were hunting ducks at Horseshoe Lake east of here.

Madison County Coroner Fred Pieper said one of the hunters was sitting in a blind with his gun across his lap. The gun began to slip and the man grabbed for it. The weapon discharged, however, and young Marcovsky was struck in the back of the head.

Davenport, Ia., Dec. 10—(P)—Mary Elynn Price, 13-year-old daughter of Mr. and Mrs. George Price, Davenport, who was stricken with polio on Armistice Day and fought desperately to celebrate Christmas with her family, died today.

Mary Elynn died in an iron lung which had been her confining home since she was admitted to Scott County Isolation Hospital.

Chicago, Dec. 10—(P)—Prof. Frank Richart, Illinois faculty representative at the annual winter Big Ten meeting, is returning home today after a slight illness yesterday.

"I'll be home this evening (Painfully Limited)" said Prof. Richart this morning. "I had a heart attack last summer, but that's all right. I just got a little nausea, so I decided to go back to Champaign."

Mattoon, Ill., Dec. 10—(P)—John W. Callahan of Mattoon counted noses again today. Yes, that's right, the twin daughters born to Mrs. Callahan a few days ago raised the family census figure to seven.

Callahan owns and operates a diaper service.

Mt. Vernon, Ill., Dec. 10—(P)—Waldo E. Bird, 60, Ashley, Ill., died in a Mt. Vernon hospital today of injuries suffered Wednesday when the automobile in which he was riding was struck by a passenger train. The accident occurred at a crossing in nearby Idlewood.

Aurora, Ill., Dec. 10—(P)—A mother and her infant daughter burned to death today when fire destroyed their frame home on Route 47, south of Yorkville.

The victims were Mrs. Jean Kingham, 37, and Mary Jane, three months old.

The woman's husband, Walter, a factory worker, was burned seriously in the blaze. Two other Kingham children, Carol, 7, and Sandra, 5, were staying over night with friends when the fire swept the rural residence.

Illinois Man Is Named Treasurer Of GOP Committee

Washington, Dec. 10—(P)—The Republican national committee tonight announced that R. Douglas Stuart of Lake View, Ill. has been named its treasurer.

Stuart succeeds James S. Kemper cause the party's reserve funds had of Chicago, who resigned Nov. 3, be dwindled to only \$90,000.

Announcement of the new appointment was made by Guy George Gabrielson, chairman of the Republican national committee.

Stuart is vice chairman of the board of the Quaker Oats company of Chicago. He is a member of the national executive committee of the Boy Scouts of America and an honor president of the Chicago council of the scouts. He is also active in other civic affairs.

In a statement accompanying the announcement, Stuart said: "I have never had any previous political connections and I do not have any personal political ambitions. I accepted the position of treasurer of the national committee after careful consideration and I saw in it an opportunity to serve my country and that is the basis for my acceptance."

2,000 AT CHRISTMAS PARTY

Fawcett, R. I., Dec. 10—(P)—About 2,000 boys and girls turned out today for a merchants' park Christmas party but their hosts stopped passing out presents because they said their young guests pushed and screamed and were too unruly.

## Stinging Cold Wave Grips Midcontinent

By The Associated Press

A stinging cold wave rode into the midcontinent Saturday on the coat-tails of a widespread blizzard.

Residents of an eight state area—from Oklahoma to Montana—braced for the ugliest weather of the season.

Late fall exploded with wintry fury in sections from California to Maine, causing at least 10 deaths.

A sub-zero cold air mass chilled the northeast. Sleet or freezing rain, glazed highways and communications lines across much of the midwest. A pea-soup fog enveiled Texas, grounding most air travel. Whipping winds lashed the southern California coastline and coastal shipping.

A minor earthquake that caused no damage jolted the Santa Monica Bay area of California.

Ice coated roads were a factor in three highway accident deaths in Iowa. William McLelland, a prominent rancher, was killed when his private plane crashed in the Texas fog.

Six negroes drowned near Birmingham, Ala., when their car skidded off a bridge in a drizzling rain and plunged into a lake.

These early morning sub-zero temperatures were recorded in the northeast: Ware, Mass., -20; Massachusetts, N. Y., -13; Concord, N. H., -13; Utica, N. Y., -6; Portland, Me., -3 and Albany, N. Y., -3.

The cold wave and blizzard hit northern Montana Saturday morning and spread rapidly south and eastward. Winds rose to 20 miles an hour, the temperature began sinking and visibility became less than a mile.

The weather bureau issued special cold wave and blizzard warnings for residents of North and South Dakota, Nebraska, eastern Montana and western Kansas. Sub zero and heavy blowing snow were moving toward Minnesota and Wisconsin. The heaviest snowfall of the season was predicted for Iowa Sunday. Western Oklahoma was in the path of the advancing cold wave.

Australian Out Socialist Party

Sydney, Australia, Sunday, Dec. 11

Advocates of free enterprise ousted Australia's labor government yesterday in the second defeat of Socialism in the British Commonwealth within 11 days.

A combination of liberal and country parties was assured of 64 of the 121 voting memberships in the House of representatives and the majority that means they will form the new government.

The labor party, in office eight years, had won—or as good as won—50 seats. Seven seats remained in doubt.

The winners will have a majority of at least seven, and perhaps 11. Senate Race Results Awaited

Returns from the senate races, which do not affect the shift in the government, were still awaited.

The outcome paralleled the election verdict Nov. 30 in New Zealand, a little sister dominion in the South Pacific. There nationalists pledged to free enterprise and slashing of state controls defeated a labor government after 14 years of socialist rule.

Robert Gordon Menzies, Australian liberal leader who now will be restored to the prime ministry he held from 1939 to 1941, called the turn on the Australian situation in his comment Dec. 1.

"The socialists were brought to power in New Zealand, Australia and Great Britain in that order. This dramatic (New Zealand) result seems a happy omen that they will go out in the same order."

The British labor government of Prime Minister Attlee faces an election sometime before the end of its five-year term next July. Some conservative spokesmen have advanced the idea that the results in the dominions might influence the British vote.

Record Number Vote

A record number of Australians voted—about 5,000,000 men and women. The vote indicates they want socialism halted. Voting is compulsory under a federal law of 1924. Those who abstain are liable to fines up to \$5.

The compulsory system, however, has not worked to the advantage of any one party. Labor has won three federal elections since the system was introduced; non-labor groups now have won seven.

Why would Australians throw out a labor government when everyone who wishes to work has a job and the country is prosperous?

Most persons tell you it is because they are tired of controls, the trend toward further socialization and rising prices.

Of the six Australian states, the swing against labor was greatest in Queensland in the northeast, which has a labor state government.

GARRIGUS NAMED HEAD OF SHEEP DIVISION OF U. OF I. AG DEPT.

Urbana, Ill., Dec. 10—(P)—Upton S. Garrigus, 32 year old assistant professor of animal science at the University of Illinois, was appointed today head of the College of Agriculture's sheep division.

Garrigus also was elected secretary-treasurer of the Illinois Purebred Sheep Breeders Association. In both positions he succeeds W. G. Kammale, recently named associate director of extension work at the university.

Other officers elected by the association are Delma La Voi, Platt, president, and Everett E. Glasgow, Monticello, vice president.

## 4th General UN Assembly Adjourns

New York, Dec. 10—(AP)—An old Russian charge that the United States and Britain are preparing a "black plot" against world peace jarred the closing session of the U.N. assembly today.

The Soviet blast, delivered by Deputy Foreign Minister Jakob A. Malik, drew a rebuke from Sir Alexander Cadogan of Britain. Cadogan told the assembly the Russians had unnecessarily injected a "certain amount of poison" into the final speeches of the session.

The assembly adjourned finally at 12:21 p.m., C.S.T.

Same Stunt As Last Year

The Russians pulled the same stunt this year that they did in the closing session in Paris last Dec. 12. They attacked the results of the assembly at that time. Today, Malik gained the floor during the final send-off round and said:

"Instead of making the fourth session of the General Assembly an assembly for the strengthening of peace, the Anglo-American bloc exerted all efforts toward converting it into a session to cover up aggression and the preparations for a new war."

He said the session had been unsatisfactory.

Snowed By Big Majority

The delegates showed what they thought of the Russian charges earlier this session by snowing them under with the biggest margin of victory ever given the West in the U. N. on a major issue. By 53 votes to 5 (the Soviet bloc) the assembly approved a western statement of the essentials of peace.

The final actions of the assembly today were:

1. Adoption of the 1950 U. N. budget totaling \$49,641,773. This includes \$8,000,000 estimated necessary at the outset for internationalization of Jerusalem.

2. Election of Adrian Pelt of the Netherlands, an assistant secretary-general, as U. N. commissioner for Libya to guide that former Italian colony to sovereign independence in the next two years.

Early Christmas For Five-Year-Old Doomed By Cancer

Tarentum, Pa., Dec. 10—(P)—Little Jimmy Fochon raised his blond head in a bleak grin as the photographer prepared to take his picture.

"I've been a good boy so Santa's going to see me before the other boys and girls," he piped.

Santa is going to visit Jimmy early—tomorrow, in fact. And Jimmy has been a good boy. But there's something else the puzzled five-year-old doesn't know.

Doctors say he'll be dead by the time Santa visits other boys and girls.

Jimmy was a normal child up to three months ago. Then he became strangely ill. Finally, the doctors made their diagnosis—cancer.

The infection is in his chest and medical experts in nearby Pittsburgh say it is of the most vicious type. Three weeks ago Jimmy was taken to the hospital. Last night his parents brought him home—to die, the experts said.

"There must be something," someone somewhere who can save our boy," said George Fochon, the lad's father. "The Lord took our two other children from us. I just know he won't take Jimmy, too."

The two other children died in childbirth.

PRINCE CHARLES HAS BEEN ILL FOR WEEK

London, Dec. 10—(P)—Baby Prince Charles has been ill a week with tonsillitis, but he's just about well now and soon will be able to resume his daily buggy rides in St. James park.

Buckingham Palace kept his illness secret until the infection and fever went away, then broke the news today.

Charles is only a year old. He is second in line for the throne, after his mother, Princess Elizabeth.

HAIRBRUSH PADDLER GIVEN 2-50 YEARS

Dayton, O., Dec. 10—(P)—The "hairbrush paddler" was sentenced today to two to 50 years in Ohio penitentiary for robbery.

The paddler, William J. Haller, 25, pleaded guilty to two robbery charges in common pleas court.

Haller said in court that on two occasions last October, he spanked women in their homes with a hairbrush after forcing them to undress. He also took small sums of money from their purses.

UNDERGOES SURGERY

New York, Dec. 10—(P)—Lewis W. Douglas, U. S. ambassador to Britain, was operated on at Doctors hospital today for relief of a vein condition in both legs.

The hospital said Douglas was resting "very comfortably" and that the operation was a success. Its exact nature was not disclosed.

WEATHER

The Norbury Sanatorium, cooperative observer for the U.S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: High, 48; low, 28; and at 6 p.m., 48. Sunset today, 4:38; sunrise Monday, 7:09.

Forecast for Illinois—Occasional rain today changing to snow and becoming much colder with strong northerly winds by afternoon or night. High 38 to 42.

## PUPILS SCOLD PREXY

President Dwight Eisenhower of Columbia university must be wondering how far freedom can go in a liberal university. A man who is used to having his word accepted in the army as law, and even gospel, can't feel very happy over the criticism of his views in the Columbia Daily Spectator.

The student paper assails his remark about too many people wanting champagne instead of being satisfied with hot dogs and beer. He might have known this would stir up a ruckus on Manhattan island, which has more bogus liberals per square acre than any place in the United States.

Why, that's outrageous, says the Spectator. Being satisfied with hot dogs and beer, it proclaims, "has never been part of the American tradition." If the general was sending up a trial balloon to test the political winds, the student paper says, public reaction will flatten it.

Out here, we haven't heard any loud deflationary noises. The balloon still looks pretty good. The general made an excellent point. He was speaking figuratively and what he meant was that many people keep looking for bigger and bigger hand-outs from Washington—something for nothing. If they do not ask for champagne today, the only reason is that they would rather have free hot dogs and beer. It is not from bashfulness that they haven't put in a bid for Mumm's extra dry.

But you can expect more criticism of him from the liberal or leftwing side. The general stung this crowd a while back by defining a liberal as "a man in Washington who wants to play the Almighty with our money." He is gradually taking his place in politics on the side of conservative common sense.

## St. Nicholas Comes To Holland, Dec. 5

In Holland, the Christmas season begins early, on the fifth day of December. That is the eve of the name-day of St. Nicholas, the good Bishop of ancient Myra. It is told of him that he wandered the streets, also, alas and alack, has a rod for in the dead of night, leaving food, children who do not deserve a gift.

clothing and money at the homes of his most needy parishioners.

On the night of December 5, St. Nicholas, or "Sinterklaas," as the Dutch call him, returns, according to legend. Dressed in full regalia, with his jeweled mitre on his head and bearing a golden staff, he rides on a white charger. With him is a fleet, his Moorish servant, Piet, carries a bag filled with gifts but of him that he wanders the streets, also, alas and alack, has a rod for in the dead of night, leaving food, children who do not deserve a gift.

## Ear-Ringing And Dizziness More Common In Old

By Edwin P. Jordan, M.D.  
Written for NEA Service

There are many possible causes for "dizzy" spells, of which a condition known as Meniere's syndrome is only one. More common in older people, Meniere's syndrome is used to describe a group or set of symptoms rather than a disease.

For a long time the term "Meniere's syndrome" was used loosely for several different kinds of diseases of the inner ear, the symptoms of which were alike in that there were attacks of dizziness or vertigo (there is a slight technical difference), ringing in the ears and increasing difficulty in the hearing. More recently it was realized that various disease conditions could bring about the same symptoms.

Infection, fractures, tumors and injuries may all cause similar symptoms. Now doctors also speak of "Meniere's disease" (not syndrome) as a distinct condition.

**Symptoms Troublesome**  
The symptoms of Meniere's disease are irregular attacks of dizziness, occasional ringing in the ears and deafness. Its cause is believed to be a drop in the deep portion of the ear called the inner ear, or labyrinth. This drop in fluid—does not often develop in young people, but from the age of 45 on is increasingly common. Why it should come at all is not known.

Some patients who drink a lot of fluids find that an attack comes on a few hours afterwards—probably because of the increased accumulation of fluid in the labyrinth.

Several medical treatments, such as the use of histamine or atropin, have met with some favor and surgery also has been tried with varying degrees of success.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

**The Doctor Answers**  
Question: I have read that peach leaves were beneficial and not a single leaf should go to waste. What are they good for?  
Answer: I have never heard of this before and haven't any idea what they might be good for.

## Bishop Magee To Visit Jerseyville For Conference

Jerseyville—The annual meeting of the East St. Louis District Conference of the Methodist Church will be held Monday at the First Methodist Church in this city.

An address by Bishop J. Ralph Magee, resident bishop of the Chicago area, will highlight the meeting. He will speak on "The Advance for Christ and His Church." Bishop Magee is the presiding officer of all the Methodist Churches in Illinois, and is regarded in religious circles everywhere as one of the outstanding leaders of Methodism.

It has been nearly 20 years since a Methodist bishop has visited the Jerseyville church, and local members of the denomination are looking forward to the visit next week.

Ministers and laymen from the 69 pastoral charges in the East St. Louis District will attend the all-day meeting which is scheduled to start at 9:30 a.m.

## THE STORY OF THE SAVIOR

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night." (Luke 2:8.)

"And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy." (Luke 2:9, 10.)

"And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men." (Luke 2:13, 14.)

## New Yorkers Wash More To Get Share In Water Famine

By HAL BOYLE  
New York—(AP)—If cleanliness is next to godliness, then the average New Yorker today is a neighbor to heaven.

He's so spotless he shines. He's never been so clean before.

It's all because of the great water famine. City hall suddenly discovered that folks were using 1,200,000,000 gallons of water a day—more than 150 a person—and metropolitan reservoirs were down to 34.7 per cent of normal capacity.

And the water level is shrinking. So Manhattan, surrounded by one Ocean and three rivers, is wondering dismally if it is going to become a near-desert island.

Well, you know how it is when a thing gets in short supply.

Folks figure, "by golly, I ain't going to be cheated out of my share."

And people who once had to be driven, screaming in protest, to their weekly Saturday night scrubbing are now taking two baths a day—and slipping home at lunch for a shower.

Of course, while the taps still run the shortage has its advantages. A host no longer has to worry about his Scotch or rye running out. "How about a highball of straight water?" he murmurs. "The real stuff?"

Any day now I expect some charlatan in a turned down hat and a least six inches from electric light, turned up out of the corner of his glass or metal "fireproof" snow mouth, "wanta buy some black in decorating. Dispose of all gift market water, Mac? We just smuggled some in from New Jersey on a fast ferry."

A nice thing about the shortage is that they no longer bring you fingerbolls in most restaurants. As a matter of fact if you ask for a glass of water the waiter is likely to answer, "What'll you give for it—two tickets to South Pacific?"

In the midst of the aqua panic one gent stands undismayed. This is Johnny Bo-Bo. Johnny got his name from his habit of standing at the bar in Fogarty's neighborhood saloon belting himself with straight bourbon and muttering at his reflection in the mirror—"bo-bo, bo-bo, bo-bo, bo-bo."

"Any body wan's my water can son, Irene Garner, Elizabeth Ring, Rita Hamilton, Frances Massey, Betty DeOrnellas, Ileana Gilpin, Dorothy Alexander, Beryl Goffinet, Vivian Christenson, Joyce Holloway, Marilla Suter, Louise Smith, Thelma Marshall, Hallie Surratt and Stuart Opperman.

Present were Rudy Bruce, Claude Ferguson, Daisy Huggett, Nellie Alfred, Dorothy Gilbert, Mary Johnson, Irene Garner, Elizabeth Ring, Rita Hamilton, Frances Massey, Betty DeOrnellas, Ileana Gilpin, Dorothy Alexander, Beryl Goffinet, Vivian Christenson, Joyce Holloway, Marilla Suter, Louise Smith, Thelma Marshall, Hallie Surratt and Stuart Opperman.

"JINGLE BELLS" was written by James Pierpont, a clerk in the Treasury department, in Washington, in 1859. He had been a Unitarian minister, and he published two books of poems. He was the grandfather of the elder J. Pierpont Morgan, international financier.

**Hebron Class Has Christmas Party, Marks Guest Day**

The Helping Hand class of Hebron Methodist church entertained a number of guests at its guest day and Christmas party, held at the home of Mrs. Mabel Cline.

A potluck dinner was served, after which the meeting was called to order by the president, Mrs. Clara Brown. Mrs. Eleanor Martin led devotions. A new member, Mrs. Frances Beavers, was accepted.

New officers were elected. They included Mrs. Landis Clayton, president; Mrs. Ethel Swain, vice president; Mrs. Clara Brown, secretary; Mrs. Eleanor Martin, assistant secretary; and Mrs. Kathryn Baxter,

treasurer.

The group decided to send Christmas gifts to two boys at the Illinois School for the Deaf. The gifts are to be taken to the home of Mrs. Kathryn Baxter or Mrs. Eleanor Martin by Dec. 16.

Mrs. Baxter had charge of the program, which featured a reading by her entitled "Christmas in Foreign Lands," and "Ring in the New," Mrs. Eleanor Martin.

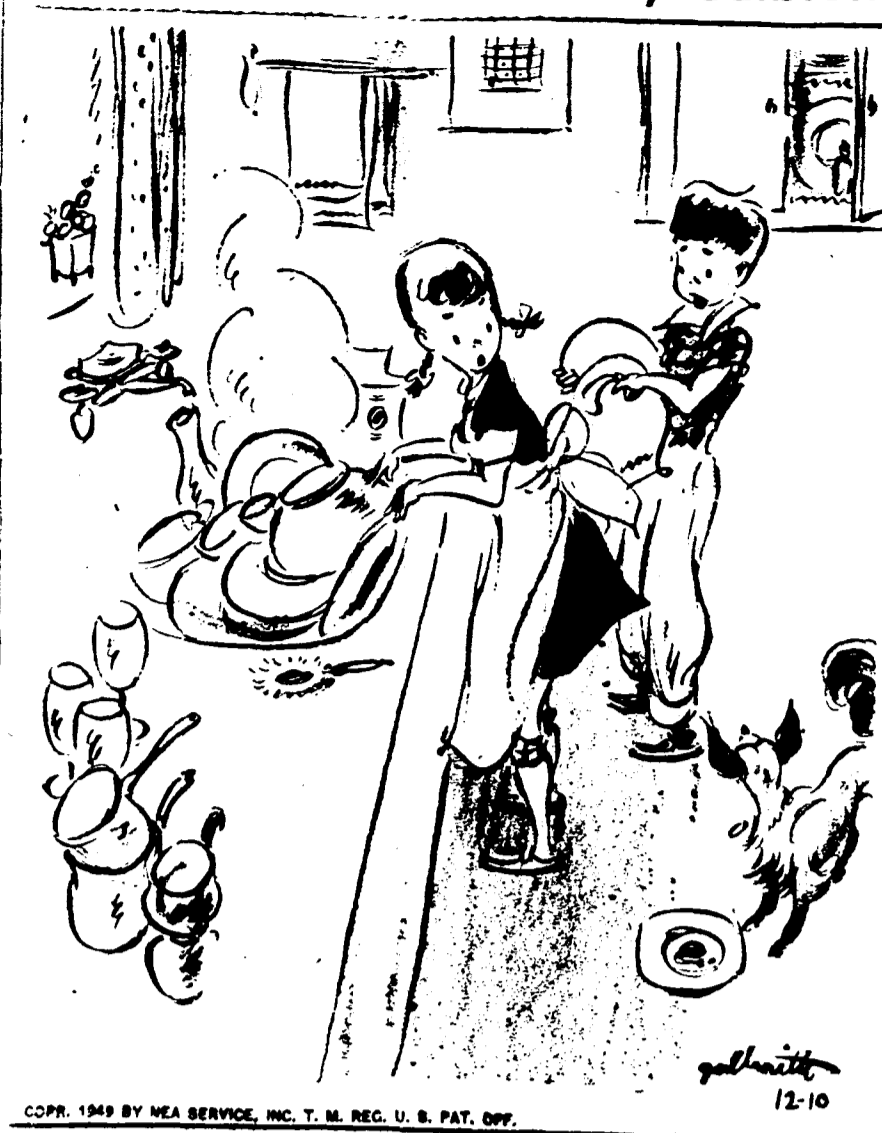

Contests were conducted, with prizes being won by Mrs. Clayton and Mrs. Martin.

Guests at the meeting were Mrs. Rex Ranson, Mrs. Glen Lair, Mrs. Ray Henton and Bill, Mrs. James Clayton and Joan, Mrs. Doris Robinson, Mrs. Eugene Martin and Gaylor, and Mrs. James Beavers and Rando.

The next meeting will be held Jan. 12 with Mrs. Martin.

## Miss Sophia Powell Weds Capt. Sheffield

### Greene County Home Adviser Becomes Bride

Carrollton—Miss Sophia Powell, daughter of Mr. and Mrs. George R. Powell of Hillview, became the bride of Captain Fred Sheffield of Washington, D. C. son of the late Mr. and Mrs. Fred Sheffield, Sr., in a double-ring ceremony performed Saturday, Dec. 10, in the local Baptist church.

Rev. Laurel Grigg, pastor of the church, officiated at the ceremony which took place at 3:30 p. m. in the auditorium of the church, before an altar flanked with tall candelabra and flowers of the season.

Miss Reva Emery of Springfield was the bridesmaid and Max Powell of Roodhouse, brother of the bride, was the best man. Miss Nita Ford was organist, playing the processional and the recessional and soft music during the ceremony.

The bride chose for her wedding an ice blue velvet dressmaker suit, with which she wore pink accessories. Her corsage was of white gardenias.

To Reside in Washington

Following the ceremony, a reception was held for the members of the bridal party and the immediate family at the home of the bride's parents.

Captain and Mrs. Sheffield left on a motor trip to the south and will return here to spend Christmas with Mrs. Sheffield's parents, before leaving for Washington, D. C. where they will make their home.

Mrs. Sheffield, who has been the Greene County home adviser for the past year, is a graduate of the University of Illinois and has taught in high schools at Manlius, Rochester and White Hall.

Captain Sheffield, who is a former resident of Waltham, Mass., studied at Middlesex University at Waltham before enlisting in the air force in 1941. He served as a bomber pilot in Africa and also in the Pacific war theater. He is now with the weather forecasting department of the air corps stationed at Andrews Field, Washington, D. C.

## Funeral Services For F. J. Scholfield Are Held Saturday

Services in memory of Frederick John Scholfield were held Saturday at 2 p. m. in Grace Methodist church. Dr. Frank Marston was the officiating minister, with Dr. Arthur F. Ewert assisting.

Rites were also conducted at the church by Illini Lodge No. 4, I.O.O.F. which was unable to hold services at the cemetery because of inclement weather. Everett Belote acted as noble grand, with John Godfrey as chaplain.

Music was furnished by Carman and Mary Helen Potter, accompanied at the organ by Mrs. G. O. Webster.

The numerous floral offerings were cared for by Lucille Rawlings, Gertrude Rawlings, Daisy Rawlings, Norma Gibbs, Helen Gibbs, Gladys Scholfield, Estella Mauer, Isabel Cully and Phyllis Goodall.

Serving as honorary pallbearers were Homer Potter, Walter Pearnough, Charles Hamel, Thomas Hopper, R. G. Baker, Rolla J. Ash, J. O. Cain, Chester Thomason, Louis Watts, Dr. Ralph Jones and John Conant.

The pallbearers were Russell Rawlings, John Rawlings, Donald Rawlings, Wilbur Gibbs, Virgil Gibbs, Vernon Scholfield, Harry Maurer and Lynden Heaton.

Burial was in Diamond Grove cemetery.

**LOCAL COUPLE MARRIED**

Harold Novak and June Butcher, both of this city, were united in marriage Saturday morning at 11:45 o'clock by Justice Otto H. Niemann at his office on West State street. The single ring ceremony was used.

## School Buildings Will Be Sold At Auction Dec. 17th

The old South Jacksonville school building on South Main street, a five-room structure, will be among the several schools offered at public auction next Saturday, Dec. 17. The ground upon which the school is located, a lot 330 by 330 feet, will also be sold.

A series of auctions will begin at 9:30 a. m. next Saturday at the Mound school west of the city, where the building will be sold. The Mound school is situated on real estate which was leased by the district on a year-to-year basis, and the site will not be sold.

Later in the day sales of both buildings and real estate will be held at Strawn's Grove, The Narrows, Oak Ridge, Prairie College and Old South Jacksonville. The latter sale will take place at 2 p. m. at the grounds.

The auctions are to be held by school trustees of the various townships, all of which are located in Community Consolidated District No. 2. Children in the area now attend the new consolidated district building located in South Jacksonville.

Carman Y. Potter and Middendorf Brothers will be auctioneers of the sales. Thomson & Thomson are attorneys for the school trustees.

## Fenton Sparger Dies Suddenly Here Saturday

Fenton S. Sparger, a resident of this city for nearly 40 years, died suddenly at 3:30 a. m. at his home, 419 North Diamond street. Death was caused by a coronary disease.

Mr. Sparger was born at Keokuk, Iowa, on April 9, 1904, the son of the late Henry W. and Grace Hurst Sparger. He was united in marriage with Ruth Stine on July 13, 1940.

His wife survives, together with a step-daughter, Edith Virginia Stine; one brother, Henry Sparger of this city, and two sisters, Mrs. N. S. Peckens and Mrs. J. L. Stout of Chicago.

Besides his parents he was preceded in death by one brother, Stewart. Mr. Sparger had been employed as shop foreman at the E. W. Brown garage in this city for the past 20 years. He was a member of the Modern Woodmen lodge.

The body is at the Williamson Funeral Home, where funeral services will be held Monday at 2 p. m., with Rev. Clair E. Maccomson of the First Baptist church officiating. Interment will be in Diamond Grove cemetery.

The family will receive friends at the funeral home from 7 to 9 p. m. Sunday.

**Shower For Homeless Couple**  
A shower was held Thursday afternoon in the home of Harry Hatcher and mother, Mrs. Anna Hatcher, for Mr. and Mrs. Billy Hatcher and daughter, who lost their household furnishings and clothing in a fire which destroyed their home two weeks ago.

About 25 were present, and they received many useful gifts. The hostesses, Mrs. Ida Dawdy and Mrs. Orlena Goacher, neighbors of the Hatchers, served applesauce cake with whipped cream and coffee at the close of the afternoon.

In the evening another shower in pastels of pink, blue, maize and white, was given by his sister, Mrs. Darrell Travis, and a friend, Mrs. Jack Cashman. About 25 were present at this shower also. Refreshments of doughnuts and coffee were served to the guests.

Mrs. Hatcher and baby remained to spend the weekend in Louisiana.

## School Principals Hold Regular Meeting Here

The Morgan County Elementary Principals' association held its December meeting at Community Unit No. 2 school in South Jacksonville, with J. Merle Wade, superintendent of the unit, acting as host.

The group enjoyed dinner in the new cafeteria, after which a tour of the school was conducted. Farrell McGinnis, president of the association, introduced John Conant, principal of David Prince Junior High school, and M. E. Kehart, principal of the Chapin High school, who led in a round-table discussion on the subject "Student Transition From Grade to High School."

The next meeting will be held Feb. 1 at Chapin, with Clifford Hess as host.

## How To Write A Song Hit— Mix Up Alphabet

By Mark Barron

New York, Dec. 10.—(AP)—All a hit song writer needs is the 26 letters of the alphabet, scrambled sufficiently so they don't mean anything in any language, and you have tuneful new lyrics which pay off handsomely at the win, place and show windows of Tin Pan alley.

It is true that Al Hoffman has written some sensible songs such as "In the Hush of the Night," "Heartaches" and his newest, "A Dream is a Wish Your Heart Makes." But he also has written a considerable number of tuneful hits which have titles and lyrics which are only understood by imaginative little

children or, perhaps, the men from Mars.

### New One Out

His "Mairzy Doats" and "Chi-Baba, Chi-Baba" are two of those and now he has a new one which has Tin Pan alley song pluggers tongued again, this one being "Bibbidi-Bobbidi-Boo." The other afternoon songwriter Hoffman was singing "Bibbidi-Bobbidi-Boo" to me in a piano room of a Broadway songsmith's shop and suddenly inquired: "Isn't it enchanting, doesn't it get you?" I agreed that it was enchanting, also that it got me.

"I wrote it when Disney wanted a special song for the scene in 'Cinderella' where the fairy godmother turns the pumpkin into a coach and four," Hoffman explained.

"Disney didn't want conventional words and music; he wanted a song that would have a special sound, something like a mumbo-jumbo that a fairy godmother would speak for her magic words."

### Old Nursery Rhyme

Hoffman's "Mairzy Doats," his big song hit in 1944, originated with a sixteenth century British nursery rhyme.

"We do a lot of research among ancient songs and rhymes to find variations or inspiration for new song ideas," Hoffman said. "This was the beginning of 'Mairzy Doats.' I got the idea from an old nursery rhyme which read: 'Mares eat oats, and does eat oats, and little lambs eat ivy.' When a child recited the rhyme, it came out 'Mairzy Doats.'" Curious thing is that after the song became such a hit, it was seldom that an adult had the slightest idea what we were talking about. But never once did I find a child who couldn't translate 'mairzy doats' into 'mares eat oats' without the slightest hesitation."

## Polio Doesn't Paralyze Nurse's Polio Ambitions

NURSE VIRGINIA WARNER and fellow victims, Donna Jessen, 3, and Sharon Cazell, 10, share a wheelchair at St. Luke's Hospital, Kansas City, Mo., while Miss Warner reads to them.

Picture and Text  
By MARY C. FLYNN  
NEA Staff Correspondent

Kansas City, Mo. —(NEA)—Virginia Warner is impatient to get back to work again caring for polio convalescents. But polio, for the second time in her life, is keeping her waiting.

Miss Warner, a 24-year-old nurse, has been a patient at St. Luke's hospital here ever since she was flown home three months ago on a stretcher from San Angelo, Tex. She had gone to San Angelo as a Red Cross recruit for the National Foundation for Infantile Paralysis to help out in Texas' worst polio epidemic.

She had been there a month when she contracted her second case of the disease. The first time was when she was eight. Then, the disease had left her left arm and leg paralyzed, but extensive treatment and hospitalization had brought back use of the afflicted limbs.

The latest attack weakened muscles in Virginia's entire right side, but she hopes to be out of the hospital by Christmas. Through physical therapy, she is having her arms and legs strengthened.

While recuperating from her first bout with polio, Virginia says she never "felt any different from other children." She says the main reason for that is because her parents did not spoil her.

"They confessed that it pained them more than me to treat me exactly like my six sisters and two brothers," she smiled.

Although her left arm was in an "airplane splint" and her left leg in a brace, she was made to dry the dishes and help with the housework. Swedish: God Jul. In Afrikaans: 'n along with her sisters. The splint Plesierige Kersees.

## Neighbors Shuck Corn For Man Who Was Injured

White Hall—Kenyon Painter, who lost his right hand with the exception of part of his thumb in a corn picker accident at his home several

weeks ago, was dismissed to his home on Dec. 7. A group of neighbors, numbering about 150 gathered at his home recently and shucked 38 acres of corn. Women members of the community served a noon dinner to the workers. Carl Moulton and Carl Kessinger of White Hall both sent a tractor and wagon to assist in the work.

Mrs. Martin Bruce and daughter, near Bishop, Calif., have arrived times—19 for the A's and 16 for the Phils.

her parents, Mr. and Mrs. George Ford of Hillview. Mrs. James Graham and baby son were dismissed to the home of her mother in Patterson from the White Hall hospital Dec. 7.

The Philadelphia Athletics and Philadelphia Phillies have finished in last place a collective total of 35 times—19 for the A's and 16 for the Phils.

### THE CHRISTMAS LAW

Washington — (AP) — Celebrating Christmas was once a crime, say the National Geographic Society. In the Puritan England of Oliver Cromwell any observance was illegal even the hanging of a child's stock on the eating of a holiday dinner or the decorating of a festive tree. The ban was initiated by special act of Parliament in 1652, and retained until the return of "merrie" Charles II in 1660.

### Scott Farm Bureau Plans Annual Meet Saturday, Dec. 17

Winchester — The Scott county Farm Bureau and the Scott county Service company will hold their annual meetings at the Winchester high school on Saturday, Dec. 17. Stockholders and members of the Service Company will meet at 9:30 a.m. at which time reports will be given for the fiscal year ending Oct. 31, 1949, and directors will be elected for the coming year.

A proposal to increase the number of authorized shares of class B preferred stock to 7,000 and the number of authorized shares of class C preferred stock to 4,000 will also be

considered.

The Farm Bureau meeting will get under way at 10 a.m. with a free lunch being served at noon in the high school for members and guests. John LaMothe, well known organist, will entertain the group during the intermission and before the meetings convene.

#### Play Postponed

"The Light Eternal," Biblical play sponsored by the BYF of the Winchester Baptist church, has been postponed until Wednesday and Thursday, Jan. 11-12. The play had originally been announced for Dec. 14-15. Due to several illnesses and conflicts, however, it was decided Friday to postpone the date. Most of the cast and chorus, totaling nearly 200, has been selected.

St. Mark's Rosary Circle held their Christmas party at the Legion Hall on the evening of Wednesday, De-

cember 7. A potluck supper was held and games were played during the evening. Mr. and Mrs. Thomas Dunn and Mrs. Urban Sauer were in charge of the program. Rev. Fr. Sullivan gave a short talk and gifts were exchanged.

Ted Connor, president, announced the next meeting will be held Jan. 4. Committee in charge includes Mr. and Mrs. Allen Peak, Mr. and Mrs. Emmerson Grey, and Dr. and Mrs. Wallace MacMullen.

#### CHRISTMAS VESPERS AT CHAPIN DEC. 18

The Chapin grade school, assisted by high school choral and instrumental groups will present a Christmas Vespers service for the entire community, Sunday, Dec. 18, at 4 p.m.

Elephant leather hits the market only when a circus or zoo loses one of its performers.

### White Hall Woman Has 85th Birthday

White Hall—Mrs. Nora Davis celebrated her 85th birthday anniversary Wednesday, with a dinner at her home. Those attending were Mr. and Mrs. Frank Woodard of Springfield, Mrs. Richard Story of Greenfield, and Mrs. Ellsworth Ansel of Kampsville. Other members of the family called during the day.

Mrs. Davis is the former Nora Tankersley, daughter of the late Mr. and Mrs. William Tankersley, and has lived in the White Hall community practically all her life.

She had three daughters, Mrs. Douglas Rhodes and Mrs. Stella Woodward, now deceased, and Mrs. Lorene Woodard of Springfield, six

grandchildren and seven great grandchildren.

**His Nose Knows A Good Thing**

Los Angeles—(AP)—John B. Bidegain won a new career by a nose. The 36-year-old Frenchman lost his nose in 1942 while lighting a gasoline stove. It exploded, searing his face. Bidegain couldn't get a job after leaving the hospital. He entered Los Angeles County's Rancho Los Amigos as an indigent.

"Why don't you make yourself a nose?" the manager of the rehabilitation workshop asked him.

Bidegain made a plaster of paris cast for his face. He fashioned a nose of modeling clay.

By pouring polyvinyl chloride, a flexible, nontoxic plastic into it, he got a new nose, a product of his own skill. He wears it proudly, touched up with cosmetics and held fast with spirit gum. Now Bidegain is fitting himself for a new job—plaster molding.

**NEW BERLIN STUDENTS WIN CORN CONTEST**

Two New Berlin youths, Bernard and Robert Fulton, were the winners of this year's high yield contest sponsored by the Pioneer hybrid seed corn company of Princeton. Their yield of 159.83 bushels of No. 2 corn per acre was the best raised in Section 12, Future Farmers of America.

Section 12 comprises Sangamon, Cass, Logan and Menard counties. The photograph shows the two winners and their vocational agriculture instructor, I. W. Smith.

This yield was obtained by drilling the corn 13 inches apart in 28 inch rows.

"The field had been in corn the year previous but prior to that cropping, the field had been in bluegrass for over twenty years. The field is a level one, having a brown silt loam soil. The soil does not need lime, but a 4-8-12 fertilizer was added at the rate of 300 pounds per acre just prior to planting. The field was planted on May 12. The seed bed was an excellent one at time of planting, having been plowed on April 7 and disked and harrowed four times between the plowing and planting dates. We obtained our highest yield of 159.83 bushels per acre with Pioneer 300."

Bernard is a junior and Bob is a sophomore in New Berlin high school. Besides corn, they both raise purebred Spotted Poland China hogs as part of their farm practice program. In addition to their own farming program, they help their dad farm 360 acres.

**Missouri Girl Weds Bluffs Man**

Bluffs — Melvin Schuessler of Bluffs and Alice Marie Greenleaf of Hannibal, Mo., were united in marriage Saturday, Dec. 3, at Palmyra, Mo., by Rev. Pakoke of the Methodist church of that city.

Their attendants were Mr. and Mrs. Junior Schuessler of Hannibal, brother and sister-in-law of the bridegroom.

The bride resided in Macon before moving to Hannibal. Her husband is the son of Luke Schuessler of Bluffs. The couple will make their home in Bluffs, where he is employed as a machinist at the Wabash roundhouse.

**DOSE OF CORTISONE NOW COSTS \$15**

New York —(AP)—Cortisone's new price, \$150 a gram, makes it cost about \$15 for a single dose for arthritis. Some doses double that. Cortisone is the new adrenal hormone which stops arthritic pains of the rheumatoid type in a few days. It also is used for rheumatic heart troubles and gout, and some allergies, skin diseases and the type of cancers known as lymphatic. In arthritis and cancer, daily doses are required for weeks.

# Meeting Held By White Hall Unit Of Home Bureau

White Hall—Night Unit No. 2 of the Home Bureau met Thursday night at the home of Mrs. Eugene Pruitt. Mesdames Don Wulfeley and Dean Roe gave the major lesson on "Sauces to Complement the Dish," demonstrated the lesson by serving refreshments. The minor lesson, "Choosing Good Magazines for the Home," was given by Mrs. Francis Anderson.

Mrs. F. N. McLaren has returned from Milton where she attended a miscellaneous bridal shower given for her niece, Mrs. Kenneth Harter, the former Betty Dees of Milton, at the home of Mrs. Gladys Hoover. Mrs. Harter has been employed with the Civil Service in Washington, D. C. for four years and is visiting in Milton, after which she and Mr. Harter will go to Tampa, Fla., to make their home.

Rev. and Mrs. Ben A. Bohn were recent guests of Mrs. Bohn's mother, Mrs. Clara Hughes, in St. Louis.

# White Hall WSCS Has Xmas Program

White Hall—The W.S.C.S. of the Methodist church held its meeting at the home of Mrs. Ralph Thomas. Mrs. Al Hudson led the devotionals and Mrs. Vandettum had charge of the lesson of "Christmas Customs of Countries Where Missionaries Serve." Alberta Thomas, daughter of the hostess, sang a Christmas song and another daughter, Barbara played a piano solo entitled "A Christmas Melody." Mrs. John Ridings assisted Mrs. Thomas in serving refreshments.

The Baptist Mission Circle met at the church Tuesday afternoon. Members presented a playlet entitled "The Star Apparition" with Mesdames Anna Rowe, Dorothy Faulkner, Ruby Glossop, Peary Hull, Clara Bohn and Libby Postlewaite as the cast. Mrs. Bohn accompanied Mrs. Postlewaite on the piano for two vocal selections. The playlet will be repeated on Sunday at the church at the 7:30 p.m. service.

## Scientists Plead For Research

State College, Pa.—P.—The United States is materially rich, but is scientifically bankrupt. This is one conclusion reached by 150 research men in a conference at Pennsylvania State College. The bankruptcy is in basic research, which seeks truth for its own sake. From such knowledge often comes great scientific discoveries that can be useful. The atomic bomb could never have been developed without years of research which learned basic facts about atoms.

The conference agreed that such basic research thrives best in a quiet academic atmosphere, but that universities don't have enough money for such research.

Since 1469 B.C., there has only been 291 years without war in some part of the world.

## CREDIT TERMS TO SUIT YOUR CONVENIENCE AT-WALKER FURNITURE COMPANY

We have no set credit rules that apply to everyone. Different families have different credit requirements. And that's why our credit terms are so flexible! We make terms to suit each individual case. Read the different plans below—and use the one that fits you best. Of course, many of our customers pay cash at the time of their purchase. Nevertheless, your account at Walker Furniture Co. helps to establish your credit in the community—can be used for cashing checks and for other personal references.

### 30 Day Charge Account

It means that you can make your selections, have them delivered to your home, and pay for them in 30 days. No down payment is required at that time. Of course, there is no interest or carrying charge for this service.

### 90 Day Charge Account

Make your selections, pay 1/4 down, 1/4 in 30 days, 1/4 in 60 days, and the remaining 1/4 in 90 days. This enables you to buy what you want without paying out a substantial amount of money at one time, and gives you extra time to make payments without one cent of interest or carrying charge.

### Take Up To 24 Months

A convenient down payment is agreed upon mutually between you and our credit department. The balance is then divided into equal monthly payments that may run up to 24 months. There is, of course, a nominal charge of 6% on the unpaid balance. For instance, if you owed \$100, the charge would be just \$6 for one year for carrying your account. However, if you should pay the full amount in less time, the difference in carrying charges would be credited back to you. You pay interest only for as long as your account is open.

### Pay No Money Down

For people who need furniture or appliances now, but do not have any ready cash to pay down, we offer this liberal plan: Just come in and choose what you need and pay no money down. The amount owing will be divided over a period of months. There will be a nominal carrying charge of 6% per year the same as regular time accounts. If payments are made in full within 90 days, the carrying charge will be eliminated. This is the easiest plan that we know of, and you are invited to use it at any time!

## Duck Hunter Able To Continue Trip Despite Accident

F. W. Stevenson, general passenger and freight agent for the Illinois Central railroad at Springfield, narrowly escaped injury early Saturday morning when his automobile skidded at the Mauvaisterre creek bridge, northwest of this city, and ended down an embankment.

Stevenson was en route to Merola on a duck hunting expedition. A time it looked like duck hunting would have to wait, but later in the day the railroad official stepped into his car and proceeded to Merola.

On the floor of the creek bridge, a 1949 Mercury car skidded on the bridge, cleared it, and toppled over first down a steep bank near Jackbridge.

The car was pulled back on the highway and taken to the Cornish garage, where it was checked for probable damage. Mechanics reported that despite the accident the car was in good shape, and Stevenson took over again after eating breakfast at a local restaurant.

## Tank Explodes In Chapin Basement

Chapin—Some of the residents of Chapin read an explosion Thursday morning and wondered what was going on. It was in the residence of Miss Amy Onken, where one of the electric pumps failed to switch off, creating such pressure in the tank that it split the tank, a rather large one in the basement of the house, from top to bottom. The force of the explosion moved the electric stove out about eight inches from the wall and threw dishes off the table in the kitchen onto the floor.

## Mrs. Marine Is Named Relief Administrator

Mrs. Florence Marine of this city has been appointed by the county board of commissioners as relief administrator for Morgan county, effective Dec. 10. She succeeds Mrs. Margaret Owings of Woodson, who has been connected with the relief office five and one-half years.

Mrs. Marine has had previous experience in the relief office as an investigator.

For two years Mrs. Owings was an investigator, and later was appointed administrator after the death of Ernest Strawn, who held that position for several years. She will devote her time to work as a public accountant.

In her new duties Mrs. Marine will supervise relief to a case load of about 165 families.

The Woman's Missionary society of the First Baptist church will meet Thursday at 2:30 p. m. at the home of Mrs. Tom Cornish, 16 Pitner place, with Mrs. Henry Frisch as assistant hostess. A Christmas program will be presented, the theme

of which will be "The Star Appeareth." Mrs. Forest Crouse will be leader.

The Edward Gallagher circle, No. 122, Ladies of the G.A.R., will hold a Christmas party at the home of Mrs. Ruth Bishop, 321 South Diamond street, Thursday at 2 p. m. There will be a 50c gift exchange and a Christmas program. The committee in charge is comprised of Mesdames Emma Self, Florence Fehr, Annie Cobb, Luella Branham, Ella Brooks, Julia Blaud, Ruth Bishop and Idella Phillips.

Passavant Aid society will meet Thursday at the hospital, where a potluck luncheon will be served at noon. Members will take donations of Christmas wash clothes and canned goods.

Friday

The South Side Circle will meet at the home of Mrs. W. W. Gillham, 930 West State street, Friday afternoon at 2:30 o'clock. Mrs. Earl Underbrink will be assistant hostess. A musical program will be in charge of Mrs. C. R. Short. Members will exchange Christmas gifts, and will take donations to the meeting for two baskets which will be given to needy families.

## FIREMEN EXTINGUISH STATE STREET BLAZE

Jacksonville firemen were called to 310 E. State street at 9:10 p. m. Saturday to extinguish a blaze in the basement of the Citizen's Market. The fire started near the ventilating grill, possibly from a carelessly tossed cigarette. The fire department laid a line of hose to douse the flames which charred the first floor joists.

The blaze was accompanied by intense smoke, some of which got into the Kroger store next door.

## Births

A son, weighing eight pounds, was born to Mr. and Mrs. Charles W. Ranson of Chester, Pa., on Friday, Dec. 9. Mr. Ranson, a designer for the Piaseki Helicopter company of Philadelphia, formerly lived here and attended the Jacksonville public schools. He is a nephew of Miss Rose Ranson of 1507 Mound avenue. Mrs. Ranson was formerly Miss Ruth Gotthardt of Allentown, Pa. The baby has been named Scott.

### LODGE MEETING

Caritas Rebekah Lodge No. 625 will have its regular lodge session Thursday, Dec. 15, at 7:30 p. m. Following the meeting, a Christmas party will be held, highlighted by a white elephant gift exchange. Refreshments will be served.

### EBENEZER W.S.C.S.

Mrs. John Bridgeman will be hostess to the Ebenezer W.S.C.S. on Thursday. A potluck dinner will be served at noon. A brief business session will be held, followed by a gift exchange.

A legal decision in Ontario, Canada, permits children of the province to go to school in their bare feet.

## Fifteen More Citizens Help Xmas Foundation

Fifteen contributions totalling \$84 were received by the Jacksonville Journal Courier this past week to be added to the principal of the Nichols Foundation, which the local newspapers are endeavoring to increase to \$10,000. The fund now has a total of \$5,958.

When the \$1,000 which was bequeathed to the foundation by Miss S. E. E. Hammond in her will is received early next year, the foundation will be nearing the \$10,000.

The income from the foundation is used each year to provide Christmas cheer for the poor children in the lower grades on the Jacksonville schools, and throughout the years has provided the only gifts that many of the children receive.

When the fund reaches the \$10,000 goal, the income at present interest rates should be approximately \$250, which will be sufficient to care for the children in the coming years.

Those who made contributions during the week of December 5 to 10 are Charles Harbert, Meredosa; and the following from Jacksonville: Mary Hitt Brown, L. W. Brown, Mrs. Jennie Grassley Blackburn, Mary C. Standley, Charles Bellatti, Minnie S. Barr, Dr. and Mrs. C. M. Hopper, Jacksonville Police Benevolent association, Mr. and Mrs. J. E. Fish, Mrs. J. E. Stout, Edna Osborne, Grace Fitch, E. L. and Mary Davis Kinney.

Either mail or bring your donations to the Journal Courier office.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Dec. 10.—(AP)—Hogs, cattle and sheep sold nominally steady today.

Hog prices suffered a severe mid-week sinking spell this week, getting down to around the government guide, but a mild recovery move set in toward week end. At the bottom, prices were at new three year lows. Final prices were steady to 50 cents lower than a week ago.

A two-way market developed in cattle with choice steers showing strength while low and medium grades declined. Average grove cost dropped \$1.10, largely because of the poorer quality. The smallest percentage of choice steers for any week of the year showed up.

Light weight lambs closed the week strong to 50 cents higher. All heavier weights lost 50 cents.

GRAINS HIGHER ON CHICAGO MARKET

Chicago, Dec. 10.—(AP)—Grains climbed steadily higher on the board of trade today in a fairly active market. The December contracts, aided by a good deal of short cover-

ing, led the advance. Corn contracts came close to their seasonal highs. Trade reports of potential export business in wheat aided that cereal. A weather bureau forecast for blizzard conditions in many sections of the western plains area also was a strengthening influence. Traders felt this would further slow up the movement of wheat to market.

Weather also was a factor in the corn and soybean firmness. Low temperatures were predicted for the mid-west corn belt. It was reasoned this would increase feeding of corn and soybean meal on farms, as well as reduce offerings of the cash grain. Bookings of corn totaled only 5,000 (T) bushels.

Wheat closed 4-13 higher, December \$2.21-\$2.21 1/2, corn was 1-13 higher, December 76 1/2, rye was unchanged to 1 lower, December \$1.43 1/2, soybeans were 1/2 lower to 1 higher, December \$2.32 1/2, and lard was unchanged to 7 cents higher, December \$10.12.

Receipts of grain in carlots here today: wheat 9; corn 99; oats 25; rye none; barley 10, and soybeans 10.

Receipts include 14 cars of corn on CCC account.

Before emerging for their short two or three weeks of life as bugs, June bugs spend three years underground as grubs.

New York Stock Market

New York, Dec. 10.—(AP)—The stock market timidly poked its way ahead today.

Not all issues advanced, but a decisive majority of leading shares sold at higher prices. A good many stocks showed no change at all.

A moderate amount of business was done although the usual week-end influences helped to tone down activity. Turnover for the two hour session was in the neighborhood of 600,000 shares.

Admiral Corp. bounced up and down the price scale, but consistently showed a net gain. An opening deal of 2,700 shares was made at 18 1/2 a gain of 1 1/2. Later deals, however, reduced this advance considerably.

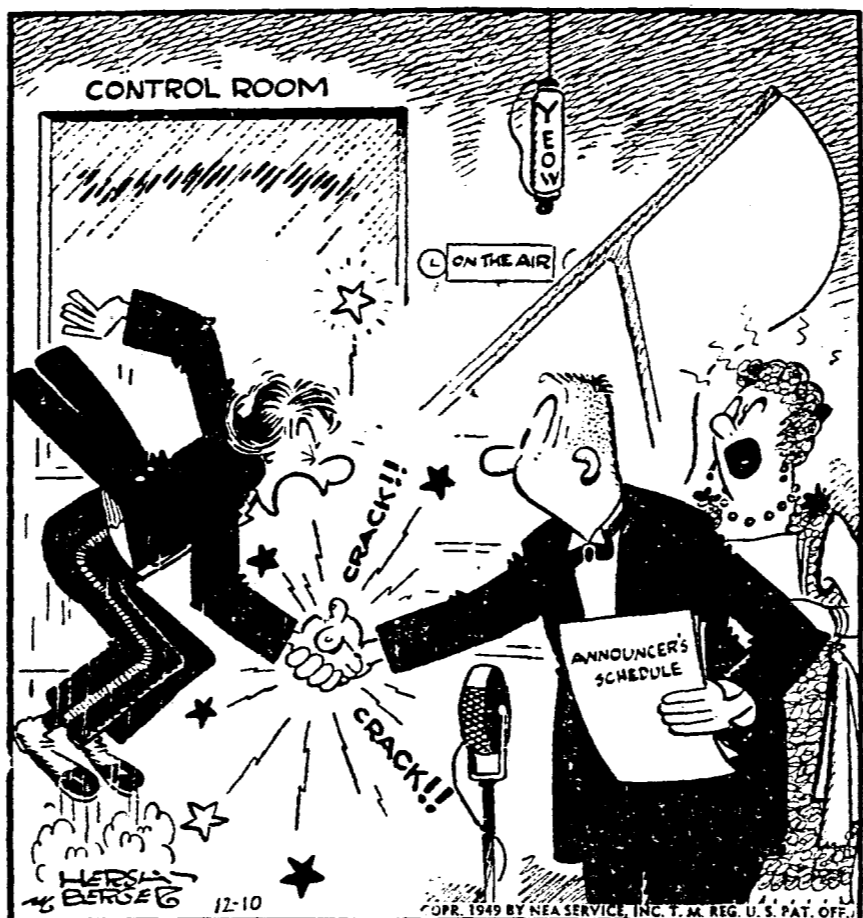

In the plus column most of the time were U. S. Steel, Republic Steel, Youngstown Sheet, General Motors, Chrysler, Goodrich, Zenith, American Telephone, Consolidated Edison, Homestead Mining, Union Carbide, International Paper, Texas Co., and U. S. Gypsum.

Losers included National Steel, U. S. Rubber, National Distillers, Standard Gas & Electric \$4 preferred, McIntyre Porcelain, American Woolen Santa Fe, Southern Railway, Standard Oil (N.Y.), and Philco.

Corporate bonds moved narrowly.

U.S. on Building Spree Abroad—With Foreign \$

OUTDOING RIO's already modern architecture, this is a model of the office building the U. S. State Department is putting up in the Brazilian city. Examining it here is Harold L. Cuoto, Brazilian contractor for the project.

By DOUGLAS LARSEN  
NEA Staff Correspondent

Washington.—(NEA)—America is in the process of providing its diplomats abroad with the finest housing that foreign money can buy.

In 300 major cities around the world Uncle Sam is making good use of otherwise trapped foreign currencies to build embassies, ministries and legations, the likes of which U.S. diplomats have never enjoyed before.

Everybody seems happy about the plan. Congress has authorized \$125,000,000 for the work. But only a tiny fraction of this will come from the U.S. Treasury. It's money due the government from lend-lease, surplus property disposal and block funds which would be almost worthless to Uncle Sam unless used for this purpose.

The 68 countries in which this work is being done are happy because it releases these funds and provides employment for thousands of construction workers.

In the long run it will save U.S. taxpayers millions in the form of rent. In London alone, as a result of the purchase and modernization of a group of American foreign office buildings, more than half a million will be saved each year.

The new projects range from the luxurious \$1.8 million embassy office being built in downtown Rio de Janeiro, Brazil, to modernistic residences for ambassadors. The new Rio office will be one of the most modern structures in a city already noted for modern buildings. It will be patterned after the United Nations building now being erected in New York.

Two other reasons are cited for the program: Since America's role in foreign affairs has increased tremendously since the war, more U.S. representatives are needed abroad. They need office space and places to live. And these fine new buildings will become symbols of America's strength and greatness for all the world to see, a State Department official explains.

PERFECT FOR TEMPLES  
The Gothic style of architecture lends itself so perfectly to temples of worship because its pointed arches and spires seem to point upward to God.

# Blueboys Tame Quincy 55-46; ISD Trims Wisconsin 54-37

## Bill Shouse Is Top Scorer For Hilltop Club; Hanley Gets 17

Quincy — (Special) — Illinois College climbed back into the win column at Quincy last night when the Blueboys defeated the Quincy Hawks 55-46 in a non-conference game.

Jacksonville fans had a two-fold reason for being interested in the outcome of the bout, and, as the final box score revealed, they were satisfied on both counts. For, besides Jacksonville's own Illinois college quint winning its third ball game of the year, Quincy's Connie Hanley led Quincy scoring with 17 points, thereby making his mark as a Hawk regular.

## Franklin Registers First Cage Win Of Season, 42-40

Franklin — Coach Joe Treat's Franklin Flash quintet chalked up its first victory of the season here Saturday night, edging out a fighting Chandlerville aggregation 42-40.

Franklin, after taking a 13-7 lead in the first quarter, was never headed by the Comets though the visitors pulled to within two points in the third quarter and stayed there to the game's end.

Rawlings and Cline connected for 3 points each to lead Franklin scoring. Taylor shot in 20 tallies for Chandlerville.

The Chandlerville seconds won the curtain-raiser 55-23.

MILWAUKEE TIPS NORMAL

Normal, Ill., Dec. 10.—P.—Milwaukee Teachers defeated Illinois State Normal, 70-60, in a non-conference basketball game tonight.

Dewey Morris paced the victors with 20 points, but was outscored by Glenn Honsbrugh of Normal, who registered 23.

Normal enters IIAAC competition next week.

Minnesota Whips Oregon State Five

Minneapolis, Dec. 10.—P.—Minnesota staged a last half rally to beat stubborn Oregon State basketball team tonight, 60 to 44 before a crowd of 9,163.

Oregon led in the first seconds of the game and then fought a nip and tuck battle to trail at halftime 26 to 24.

It was Minnesota's stirring offensive unleashed in the third minutes that cracked the Oregon scoring punch.

The Gophers sharp shooting from the free throw line was a decisive factor in the victory. Minnesota scoring 18 out of 24 attempts.

Pace setters for Oregon State were forwards Bob Payne and Ray Snyder and center Len Rineason who looped in nine field goals in the first half.

Jack McGill, goal tender for St. Paul Saints of the U. S. Hockey League, was an outstanding combat pilot in the RCAF during the war.

OHIO STATE EDGES BUTLER U. 67-65; O'BRIEN SCORES 30

Indianapolis, Dec. 10.—P.—Butler university's 5-foot 9-inch set shot artist, Ralph (Buckskin) O'Brien, scored 30 points tonight but it wasn't enough as the Bulldogs were edged by Ohio State, 67-65.

A crowd of 6,586 saw O'Brien, holder of all but one Butler all-time scoring mark, come within two points of the school's one-game scoring mark that has stood since 1929.

FOURTEEN PAY FINES IN POLICE COURT

Fourteen Jacksonville residents were fined in police court Saturday. The offenses included: reckless driving, 1; drunkenness, 2; stop sign violation, 1; parking violation, 10.

CONGA LINE—New York University and Oregon State players were in this dance when the referee blew his whistle after the Violent Abe Becker, 11, with ball, was fouled by the Beavers' Harv Watt in the second half at Madison Square Garden. Others are Len Rhineason and Dan Quilty. Visitors edged the home guard, 49-45.

## Paul Christman, Cardinal Passing Star, May Retire

Chicago, Dec. 10.—(P)—"Pitchin' Paul" Christman, quarterback with the Chicago Cardinals, may be riding the football glory road for the last time tomorrow when the Cardinals collide with the Chicago Bears at Wrigley Field.

Christman, 31, is firmly entrenched in the business world in Chicago. He's the father of three children. He owns his home in suburban Park Ridge and implies he's about ready to quit after five seasons with the Cardinals.

"I hope I'm smart enough to quit when I'm still agile," the former University of Missouri star said today. "I'd like to have the fans remember me as a good player, not as a money-hungry has been."

"I'm looking forward to a Monday morning during a football season when I can get out of bed under my own power."

## Fred Haas Ties Hamilton In 3rd Round Of Tourney

Miami, Fla., Dec. 10.—(P)—Bob Hamilton and Freddie Haas, Jr., tied today for the lead in Miami's \$10,000 open golf tournament with 11-under-par 199's at the end of 54 holes.

Hamilton, 33-year-old Landover, Md., professional, toured the Miami Springs course in even par 35-35-70 while Haas, who was three strokes behind at the end of 36 holes yesterday, went out in three under par 32 and came back in even par 35.

Twice the lead changed hands as the two battled a 22-mile east yesterday with 129—or 11 under regulation—was 12 under when he birdied the par five fifth hole, but a three putt on the par three 8th gave him par for the nine.

Haas, who yesterday fired a hole in one, birdied the second, fifth and sixth holes on the back side.

At the end of nine holes the Haas-Hamilton duel was a standoff with a 164 for 45 holes.

Young Haas took a short lived lead when he birdied the par five 13th, but Hamilton dropped a four-fool on the par three 16th to again even the match.

## Baseballers Swarm Into New York For Big Pow-Pow

New York, Dec. 10.—(P)—For the first time since the New York Yankees conked the Brooklyn Dodgers in the World Series, the town's hotels swarmed with baseball men today in preparation for next week's winter meetings.

Most of the caravan moved in from Baltimore to continue trade negotiations that started at the Minor league convention. Nothing big has happened yet.

Both the American and National leagues will meet separately Monday and Tuesday. If business warrants, they'll get together Wednesday for a joint session under Commissioner A. B. Chandler.

No startling business is expected because the minors turned down an amendment to the major-minor code that would have repealed the bonus rule.

It is doubtful if the bonus rule will be discussed formally at the meetings but it still is the subject of heated conversation whenever baseball men gather.

## Cubs Take Option To Buy Franchise Of Newark Club

New York, Dec. 10.—(P)—The Chicago Cubs took an option to buy the Newark franchise of the International league from the New York Yankees today. The Cubs have until Jan. 11 to go through with the deal.

If the Cubs buy the franchise, they may move it to Springfield, Mass., of the defunct New England league.

Present at today's conference were George Weiss, Yankee general manager; Jim Gallagher, Cub business manager; Jack Sheehan, Cub farm director, and Frank Shaughnessy, president of the International league.

Gallagher refused to elaborate on the bare announcement that the Cubs had an option to buy.

However, the Cubs operated the Springfield club in the New England league last season and are reported to have spent considerable money improving the ball park which they do not own.

It was not definite that the club would be shifted from Newark, a Cub spokesman said.

## Wisconsin Beats Loyola 68 to 55

Chicago, Dec. 10.—P.—Al Nicholas, sophomore guard, paced the Wisconsin basketball team to an easy 68-55 victory over Loyola of Chicago tonight.

Wisconsin led 15-0 at the end of six minutes of play before Frank O'Grady, junior forward, scored Loyola's first point. The Badgers maintained the lead all the way and were never threatened.

Nicholas topped the scoring for the victors with 19 points.

Wisconsin has won three and lost one. Loyola has a record of two victories and three defeats. It conquered Ripon in its first game of the season and won over Wheaton. It has lost to Minnesota and Oklahoma A & M.

## FAN BREEZES

BY BOB MERRIS

Just try and tell Pittsfield basketball fans that the Christmas season is upon us with all its good cheer and goodwill toward men. Two bus-loads of them at least are mighty bitter these days. They arrived in Jacksonville at 7:30 p. m. Friday night expecting to cheer their Saukies to victory over the Jacksonville Hawks. The gates barred because of the overflow crowd. Some few of them were allowed to trickle into the DP gym and watch the game by standing on the balcony but the majority, according to Pittsfield superintendent of school Allen Metternich, returned to Pike county without seeing a ball game.

The bus drivers who pushed their cumber some wagons over 40 miles of icy roads are to be the most pitied. After that trip, their only consolation was in knowing that they could stay home Saturday night and see the tribe battle Hannibal in a spacious gymnasium.

Local enthusiasts who are backing their team with newfound vigor this winter must not lose heart at the three defeats Jacksonville teams absorbed Friday night. They weren't so disheartening as they looked on paper. Jacksonville high was off its game against Pittsfield but still battled them right down to the wire except for occasional lapses. Routt stayed with a high-powered Mt. Sterling quint for two quarters before falling behind while Illinois college can offer many excuses for its defeat in the hands of Washington U., a top-flight college basketball team.

There's little doubt that local basketball has added more polish

## Ralph Wolf Quits As Director Of Baylor Athletics

Waco, Tex., Dec. 10.—(P)—Ralph Wolf resigned today as Baylor university athletic director—only a day after Bob Woodruff resigned as head football coach.

It climaxed three days of turmoil at the Baptist school during which the athletic committee held a meeting to define "more clearly the duties" of Woodruff and Wolf and ended up by continuing Wolf as athletic director but with the designation of stadium director when he accepted the job.

Wolf severed more than a quarter century connection with Baylor by announcing he was quitting effective next June 1 "to clear the atmosphere for Dr. White and the board of trustees to reorganize the athletic department."

Dr. W. R. White is president of the Southwest conference school. He was out of town today—it was not learned where—and thus unavailable for comment.

However, Wolf told reporters that Dr. White had told him his resignation was "a most magnanimous thing" to do.

Indiana Defeats MSU Squad 73-58

East Lansing, Mich., Dec. 10.—(P)—A fast and experienced Indiana team had little trouble handing Michigan State a 73 to 58 basketball beating before 8,930 fans here tonight. It was the third successive loss for the Spartans, who previously bowed to Michigan and Iowa.

Michigan State Coach Al Kirchner gambled on his sophomores to give him the first win of the season, and he lost. The Spartans led 37 to 33 at the half, but Indiana came back in the second period to completely dominate the play.

Michigan State was not able to penetrate the tight Indiana defense and could not hit the basket from outside the Hoosier protective circle.

Forward Bill Tosheff led the Indiana attack with 16 points. Tall Bill Garrett, the Indiana center, was an outstanding playmaker and also banged in 15 points.

It was the second successive victory for Indiana.

## DePauw Fast-Break Beats Millikin

Greencastle, Ind., Dec. 10.—(P)—The DePauw Tigers failed to stop center Bud Ormand but had enough sparkle in their fast break to beat James Millikin of Decatur, Ill., tonight, 62-55.

DePauw took the lead in the first 45 seconds and never trailed. The score was 31-23 at halftime and never was close afterward.

Millikin lacked its high scorer, Scott Steagull, who was hospitalized with foot blisters. Ormand did his best with 18 points. Russ Freeland with 14 and Lee Hamilton with 11 led the Tigers.

Syracuse University's boxing team, defending champions, will be host to the national intercollegiate tournament, March 10 and 11, 1950.

Kansas Sinks Purdue 60 to 52

Lawrence, Kans., Dec. 10.—(P)—Guard Jerry Waugh dropped in 18 points to lead the Kansas Jayhawks to a 60-52 victory over Purdue in a non-conference basketball game tonight.

Richard Axxess hit a fielder in the opening minute of play to give Purdue its only lead of the game. Clyde Lovellette, towering Kansas center, tied it up at 2-all and then Claude Houghput put the Jayhawks ahead with a free throw.

Kansas led 30-27 at the half.

Purdue gained a 38-38 deadlock with six minutes to play, but fell behind to stay as Dale Enge Jack Carby, Lovellette and Waugh scored successive field goals.

Howard Williams collected 10 points for the Big Ten team. Lovellette poked in 13.

Toledo Thumps Michigan 57 to 36

Dallas, Dec. 10.—(P)—Declaring that "the coaches must assume responsibility for preventing dirty play," the Southwest conference faculty committee today censured coaches and players of the University of Arkansas for what occurred in the Arkansas-Texas Christian football game last Saturday.

The committee upheld the protest of Coach Leo (Dutch) Meyer of Texas Christian, who charged Arkansas used illegal tactics and that his players were "butchered in the 27-7 defeat."

It said it was "convinced that the charges are just and warranted" game.

Bud Schaeffer, Wheaton guard, totaled 19 points. Dick Messner, Wheaton forward, and Tom Millikin, Southern forward, each contributed 18.

The loss was Southern's first in four games. Wheaton led 27 to 23 at halftime.

Wheaton Five Nips Southern Illinois

Wheaton, Ill., Dec. 10.—(P)—Wheaton college defeated Southern Illinois of Carbondale, 56 to 34 tonight in a non-conference basketball game.

Bud Schaeffer, Wheaton guard, totaled 19 points. Dick Messner, Wheaton forward, and Tom Millikin, Southern forward, each contributed 18.

The loss was Southern's first in four games. Wheaton led 27 to 23 at halftime.

## Gilbert Paul Leads Tigers To Easy Win Over Dairy State Five

A new basketball star rose at Trinity Boys Club. I.S.D. Saturday night when Gilbert Paul, Tiger guard, pumped 15 points through the nets to lead his westend club to a 54-37 inter-state victory over the Wisconsin deaf quintet.

Paul, who hadn't scored over five points in any previous game this season, missed but one shot from his favorite position—about 15 feet out and just to the left of the free-throw line. All seven of his baskets were scored from that spot.

Little Leo Ceci was having his troubles again Saturday night and never found the hoop until late in the third quarter. His shooting eye, which clicked to perfection in the 21st quarter, missed but one shot from his favorite position—about 15 feet out and just to the left of the free-throw line. All seven of his baskets were scored from that spot.

The victory marked the fourth win in five starts for coach Spike Wilson's crew.

It was a very slow ball game with first three minutes before Paul finished his first half. Raffel, I.S.D. and Carlstedt helped out and the Jacksonville westenders piled up a 12-3 lead before Wisconsin started moving with a fast break.

In a rough second quarter, Paul continued hitting over the dairy-men's tight zone defense and when Hood, Carlstedt and Raffel joined him, the Wilson men pulled out front 27-17 at the half.

Wisconsin refused to come out of its zone defense and the locals contented themselves with playing slow, deliberate ball, scoring almost at will with long shots and rebounds. They led 43-23 going into the fourth quarter.

Tiger Reserver Play

Coach Wilson used his entire bench in the final chapter with several subs adding to the point total with some nifty shots.

Jim Long and Francis Thompson were the big noises for Wisconsin, tallying 15 and 13 points each.

The I.S.D. seconds won the preliminary by a 36-11 margin over the Trinity Boys Club.

## Xmas Reading Features Woman's Club Meeting

A Christmas reading by Miss Octavia K. Frees, associate professor of speech and director of dramatics at Illinois college, highlighted the December meeting of the Jacksonville Woman's club, held Saturday afternoon at the Dunlap hotel.

Miss Frees read a charming story which told two young people recaptured the spirit of Christmas

by forgetting their own sorrow and bringing happiness to an orphan boy. Her reading, entitled "David's Star of Bethlehem," enabled her to demonstrate an amazing versatility in assuming various roles.

Mrs. H. R. Covey, soprano, her son, Charles, violinist, and daughter, Carmen, pianist, presented an entertaining musical program.

The program was arranged by Miss Charlotte Sieber. Mrs. G. O. Webster was music chairman and Mrs. Floyd Hess served as chairman of the day.

A brief business session was conducted by the president Mrs. H. C. Hart, during which announcements were made concerning two federation projects: the Haven project for ambulatory patients at the Veterans hospital in Marion and the Christmas project for Park Ridge School for Girls.

Mrs. C. E. Williamson led in the pledge to the flag and offered prayer. Minutes of the previous meeting and the executive board session were read by Mrs. John Marshall, secretary pro tem. It was announced that Mrs. Clarendon Smith will succeed Mrs. L. L. Edlen as secretary.

A Christmas tea followed the program. Mrs. F. P. McCarthy was chairman of hostesses. She was assisted by Mesdames Ralph Floreth, Carl Keenher, Carl Martin, Nelle Grady, Ray Templin, Merton Abbott and C. A. Henley. Mrs. J. W. Merrigan and Mrs. D. C. Livengood poured.

## William Spencer Dies In Greene: Once Grocer Here

Roodhouse—William Irvin Spencer, 71, died suddenly at his home five miles southeast of Roodhouse at 12:45 p.m. Saturday. An inquiry held by the coroner, W. H. Wolfe, resulted in a verdict of coronary occlusion.

Mr. Spencer, a farmer, formerly conducted a grocery in Jacksonville in the 600 block of S. Diamond street from 1927 to 1937.

He was a member of Martin's Prairie Baptist church east of Roodhouse.

The decedent was born north of Athensville March 14, 1878, the son of William P. and Elizabeth McKean Spencer. He was married to Grace Cryder on June 8, 1902; she preceded him in death in 1938.

Surviving are four sons, Floyd and Kenneth of Chicago, Ralph of East St. Louis and Glenn of Jacksonville; and four daughters, Mrs. Guy Woods and Mrs. William Admire of Roodhouse, Mrs. Harold Gibbins and Mrs. Jake Bartlett of Alton.

He also leaves one brother, Otis, of Roodhouse; three half-sisters, Mrs. Lou Harding of Roodhouse and Mrs. May Van Beber and Mrs. Ethel Van Beber of Scottville; two half-brothers, Harry Spencer of Hot Springs, Ark., and Henry Spencer of Jacksonville; 12 grandchildren, and three great-grandchildren.

Funeral services will be held at the Martin's Prairie Baptist church Tuesday at 2 p.m. with burial in Ebenezer cemetery northeast of Roodhouse.

## Program, Pageant Given By Junior High Group Friday

The assembly program, consisting of musical selections, scripture reading and a pageant, was provided at David Prince Friday by Section Eight under the direction of Miss Della C. Simmons.

Miss Carter of the music department assisted, and Miss Toussaint of the art department aided with the stage scenery. Gene Davidsmeyer was the announcer.

Trombone numbers were given by Donald May and a piano solo by Carmen Olson. Miss Simmons read the Christmas story from Luke, accompanied at the piano by Miss Carter.

Phyllis Scott was the mother in "The Littlest Shepherd," with Wanda McArthur and Paul Stine as the children. Frank Boatwright was the littlest shepherd, Jeanne Buchanan, Carol Green and Marvin Waters the other shepherds.

Harold Cook, Harold Haley and Donald Stine portrayed the wise men; Audrey Davis, Mary; Paul Gene Masick, Joseph; and Beverly Hacker, the angel. Joan Tendick was the soloist. The chorus was composed of the remaining members of Section Eight.

## Lioness Club Has Children's Party Tuesday At Dunlap

The annual Christmas party was given for 50 sons and daughters of the Lioness club at the Dunlap hotel at 6:30 p.m., Dec. 8. Santa Claus distributed gifts to the children, and the adults exchanged presents. A marionette show was presented by the Twelves.

Mrs. John Waga, program chairman, presented Mrs. Opeline Swisher who was accompanied by Mrs. Warrington Kent in a group of holiday songs. Group singing followed. The club voted to buy the usual amount of T.B. Christmas seals and a five dollar bond.

A Christmas tree adorned the room along with table decorations of poinsettias, greens and candles, which were awarded to those whose names were drawn.

## George E. Drach, Springfield Man, Enters 45th Race

Announcement was made Saturday of the candidacy of Attorney George E. Drach, for the Republican nomination for senator representing the 45th Senatorial District in the General Assembly of Illinois.

Attorney Drach is a life-long resident of Springfield. He is a graduate of Springfield high school and of the University of Illinois College of Law. During World War II he served as an officer in the United States Navy. He is a member of the Navy Club, American Legion, and Amvets.

He is a past president of the Sangamon County Bar association, and a past president of the American Business club of Springfield.

While attending the University of Illinois, he was one of the originators of the Young Peoples Republican Clubs and served as a member of the Board of Supervisors of Sangamon county. He was formerly a lecturer at the Lincoln College of Law in Springfield on administrative law, future interests, and trial and appellate practice. His articles on governmental and legal questions have appeared in various professional publications.

In his statement announcing his candidacy, Mr. Drach said: "I believe that my experience in legislative matters and in the preparation of legislation, qualified me to be of assistance in the great task which lies before the State of Illinois: to improve efficiency that the greatest good may come to all the people without oppressive taxation, and to repel the forces of regimentation and socialism."

Attorney Drach is the son of the late Mr. and Mrs. Robert S. Drach, who for many years owned and operated Drach's restaurant in Springfield.

## \$500,000 CHAPEL WILL BE DEDICATED SUNDAY

From the meeting houses of old New England came the inspiration for the Annie Merneer Chapel of MacMurray College, to be dedicated on Sunday, Dec. 11.

The basic design is of Georgian derivation, with a red brick exterior with white wood trim. The imposing front entrance has a white columned portico backed by a tower rising to 140 feet. The overall dimension of the entrance is 86 by 150 feet. In keeping with the architectural plan hand made window panes have been used.

On entering the building, one is immediately impressed by the two stairways leading to the balcony which surrounds the main auditorium on three sides. The entire interior is white with mahogany trim. The auditorium has a seating capacity of almost 1200. Pews are also white with mahogany trim. The individual seats of the pews are covered in blue velvet.

One of the most impressive features of the chapel is the deep chancel, designed to seat a large choir, of 70 persons with eight Ionic columns defining a passage around the upper part of the chancel. Enclosing the chancel at the rear of the building are two stairways with outside entrances.

In the northwest corner is the DeMotte Meditation Chapel. This Meditation chapel is given in honor of William H. DeMotte, president of the College from 1868-1875 by members of the DeMotte family.

Also behind the chancel are robing rooms for the choir. Above the robing rooms is the large organ loft with two decorative grills which

open into the chancel. Plans call for the construction of an Aeolian Skinner four-manual organ to begin with the next two or three months.

**Gift of Mrs. Pfeiffer, Others**  
The building was made possible by a large initial gift of \$125,000 from Mrs. Annie Merneer Pfeiffer. Many others have given donations to the total of \$468,331, including Mrs. Pfeiffer's gift. The cost of the chapel will be almost \$500,000, not including the cost of the organ.

The Reverend McKendree M. Blair, Professor of Religion at MacMurray gave the pulpit, the lectern, the altar reredos and the furnishings consisting of a cross, two candleholders, two vases, the altar cloth, the dossal cloth and the pulpit cloth. These gifts are in memory of his great-grandfather, the Reverend John McElfresh; his grandfather and grandmother, Doctor and Mrs. William McKendree McElfresh, and his mother, Mrs. Katherine McElfresh Blair. The Bible is a gift of Mr. and Mrs. George J. Carpenter of Jacksonville, Illinois, in memory of their daughter, Alice Ada, Class of 1944, who gave her life in the service of her country during the recent war. The public address system is a gift of the Class of 1949. Alumni are giving the organ.

The edifice was designed by Poundstone, Ayres and Godwin of Atlanta, Ga.; supervising architects were Smith, Kratz and Strong of Urbana, Illinois. The general contractor was Hugh Gibson of Jacksonville. Heating and plumbing are by the J. L. Brady Company of East Moline, Illinois, with electrical equipment by the Brunkow Electric

Company of Champaign, Illinois, and Keith C. Herring of Jacksonville. Pews and furnishings for the altar reredos were executed by the American Seating Company of Grand Rapids, Michigan. Lighting fixtures were by Summerour & Devine of Kansas City, and the hardware was by Walker Hardware Company of Jacksonville.

**Two Prominent Speakers**  
Bishop J. Ralph Magee of the Chicago area of the Methodist church will speak briefly and dedicate the building. Dr. Henry N. MacCracken, recently retired president of Vassar College, will deliver the address.

Otis C. Poundstone, architect for the chapel, will present the keys to the building to Mrs. Kathryn T. MacMurray, president of the board of trustees, who will present them to President Clarence P. McClelland. The Reverend McKendree M. Blair will read the Scripture lesson.

The college choir will sing several responses throughout the service. Their anthem will be "The Lord Is My Light," by David Stanley Smith. Mr. Hugh Beggs will play the professional and recessional.

The academic procession will be composed of the choir, faculty and trustees. In the congregation will be representatives from many colleges and universities.

The Chapel committee was composed of Mrs. Irma L. Gamble, chairman; Fletcher Blackburn; Albert C. Crawford; Miss Amelia DeMotte; Mrs. Kathryn T. MacMurray; President McClelland; Mrs. Ann Marshall Orr; Lester O. Schriver; Rev. McKendree M. Blair; Joseph Clelland; and Mrs. Ameda Gibson.

## Students Of JHS Give Xmas Songs At W.S.C.S. Meet

A high school group presented Christmas songs to Circle 6 of Grace Methodist church W.S.C.S. Friday afternoon at the home of Mrs. Wilford Cody, 347 Sandusky, after which refreshments were served. Mrs. Frank Marston presided over the tea table.

Mrs. Glenn Kendall, president, conducted a short business session, and Mrs. Paul Hartman read the Christmas story from Luke. Carol singing was led by Mrs. Howard Covey.

The students on the program included Bob Benson, Ruel Becker, George Thayer, John Walker and Mary Ruth Hayes, accompanied by Pat Woolridge and Gaylord Spotts. Mrs. James Dunlap will be the hostess for the January meeting, to be held on the second Friday of the month.
